***Melbourne study trip** - The dates for the NMLP trip to Melbourne are based around the Victorian Government's Parliamentary sitting dates. In the event that COVID-19 restrictions limit the NMLP's ability to travel outside of our region in June, We will look to reschedule the trip in September. We ask all participants to keep Sunday 12th September through to Thursday 16th September (inclusive) free, in the event that the Melbourne trip must be rescheduled due to the pandemic
